

Dear Infant & Toddler Parents,

The fee for diaper usage at the Child Development Center will be \$1.50 per diaper. Parents may choose to provide their own diapers while paying the regular tuition rates or they may choose to have the CDC provide the diapers at a fee of \$1.50 per diaper in addition to the regular tuition rate. The child development center does change diapers every 2 hours or sooner if needed. The Child Development Center will still be including the baby food and wipes at no additional charge. Please fill out the bottom of this form with your selected diaper option and turn it in to your center director.

*\*The CDC will only provide diapers until the age of three years old\**

I would like the center to provide diapers for my child at \$1.50 per diaper.

I don't want the center to provide diapers for my child I will provide my own diapers for my Child.
